Description			
It seems that there is no assumptions after VRP converts violation witnesses to error traces, so, users lack an important data.			

History

#1 - 08/14/2020 01:40 PM - Evgeny Novikov

- Status changed from New to Resolved

I fixed the issue in branch *fix-missed-error-trace-assumptions* that is tested right now. Unfortunately, all previously obtained error traces will not have assumptions since they were lost during transformation.

#2 - 08/14/2020 03:53 PM - Evgeny Novikov

- Status changed from Resolved to Closed

Tests passed, so, I merged the branch to master in [58a40a52e](#).
