

## Klever - Feature #10493

### Clean up directories when deploying new instances of Bridge

09/11/2020 11:59 AM - Evgeny Novikov

<b>Status:</b>	Closed	<b>Start date:</b>	09/11/2020
<b>Priority:</b>	Urgent	<b>Due date:</b>	09/17/2020
<b>Assignee:</b>	Vladimir Gratinskiy	<b>% Done:</b>	100%
<b>Category:</b>	Bridge	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	3.0		
<b>Published in build:</b>			
<b>Description</b>			
When Bridge is deployed in the second time, there may be some absolutely useless files from the old instance. As far as I understand, it has sense to clean up directories "media" and "logs". Maybe something else. Maybe some directories are cleaned up already.			

#### History

##### #1 - 09/17/2020 11:35 AM - Vladimir Gratinskiy

- % Done changed from 0 to 100
- Status changed from New to Resolved
- Due date set to 09/17/2020

Implemented in branch feature\_10493 for media folder.

##### #2 - 09/17/2020 11:35 AM - Vladimir Gratinskiy

- % Done changed from 100 to 50

##### #3 - 09/17/2020 11:45 AM - Vladimir Gratinskiy

- % Done changed from 50 to 100

Implemented for logs folder, but some files can't be deleted as migration process locks it on migration. But the initial migration should try to empty such files.

##### #4 - 09/17/2020 04:13 PM - Evgeny Novikov

Since this may suddenly break existing verification results, let's postpone the merge to master.

##### #5 - 11/10/2020 11:33 AM - Evgeny Novikov

- Status changed from Resolved to Closed

I merged the branch to master in [272c95d38](#). Note, that this change is not backward compatible, so, you need to completely reinstall Klever after it.
