

Requality - Bug #4603

Неправильно упорядочены требования после Undo

11/19/2013 01:52 PM - Viktoria Kopach

Status:	Closed	Start date:	11/19/2013
Priority:	Normal	Due date:	
Assignee:		% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	0.17	Published in build:	0.17.217
Detected in build:	0.15.193		
Platform:	Windows x64		

Description

1. Есть требования:

01
02
--01

2. Копируем требование 01 в требование 02.

Получилось:

01
02
--01
--01_copy1

3. Перетаскиваем требование 01 в требование 02.

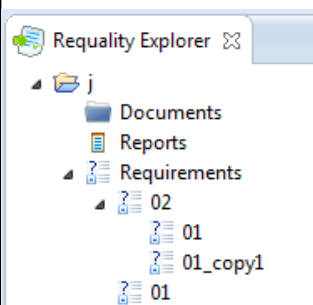

Получилось:

02
--01
--01_copy1
--01_copy2

4. Делаем Undo.

Видим:

02
--01
--01_copy1
01

То есть требование 01 идет после 02. Ожидается, что требование 02 будет идти после требования 01.
