#### Description

An issue reported by a user:

Another niggle - if you write  
mov reg(12), imm(\_)  
without a trailing 'do situation ....' the java throws an exception, it would be more user friendly if it checked for this.

All such exceptions must be handled.

#### History

##### #1 - 03/13/2015 07:57 AM - Alexander Kamkin

- Subject changed from [template] Exception when no test situation is specified. to Exception when no test situation is specified.
