

MicroTESK - Task #5667

Support splitting generated test programs into several source files

03/03/2015 10:44 AM - Andrei Tatarnikov

Status:	Closed	Start date:	03/03/2015
Priority:	Urgent	Due date:	
Assignee:	Andrei Tatarnikov	% Done:	100%
Category:	Test Engine	Estimated time:	0.00 hour
Target version:	2.3	Spent time:	0.00 hour
Detected in build:	svn	Published in build:	150529
Description			
For large tests, it is important to create a sequence of test programs instead of a single source file. Corresponding options should be added.			
For example, each test (a template description of a test problem that results in a series of test cases) can be stored in a separate file.			

History

#1 - 03/10/2015 10:32 AM - Alexander Kamkin

Don't invent a wheel - use the V1's code.

#2 - 03/10/2015 10:32 AM - Alexander Kamkin

- Target version set to 2.1

#3 - 03/12/2015 10:30 AM - Alexander Kamkin

- Subject changed from [generator] Support splitting generated test programs into several source files to Support splitting generated test programs into several source files

- Category set to Test Engine

#4 - 03/25/2015 06:27 AM - Alexander Kamkin

- Target version changed from 2.1 to 2.2

#5 - 05/27/2015 11:53 AM - Andrei Tatarnikov

See list of options to be supported: Task [#5978](#)

#6 - 06/03/2015 09:12 AM - Alexander Kamkin

- Status changed from New to Resolved

Why don't you change the status of resolved tasks?

#7 - 06/03/2015 10:26 AM - Andrei Tatarnikov

- Status changed from Resolved to Closed

- Target version changed from 2.2 to 2.3

- % Done changed from 0 to 100

- Published in build set to 150529
