

Klever - Feature #8065

Propose and support process selection for non-module programs

04/14/2017 04:43 PM - Ilja Zakharov

Status:	Closed	Start date:	04/14/2017
Priority:	Urgent	Due date:	
Assignee:	Ilja Zakharov	% Done:	0%
Category:	Environment model	Estimated time:	0.00 hour
Target version:	2.0		
Published in build:			

Description

EMG should also add to intermediate model processes that prepared for non-module programs. Such specifications should be detailed enough and matching of labels is not required in the case.
