

Klever - Feature #8722

Prepare scripts for automatic deployment on Debian 9

02/13/2018 03:29 PM - Evgeny Novikov

Status:	Closed	Start date:	02/13/2018
Priority:	Urgent	Due date:	
Assignee:	Evgeny Novikov	% Done:	0%
Category:	Deployment	Estimated time:	0.00 hour
Target version:	1.0		
Published in build:			

Description

We need these scripts, first, because this will provide users an opportunity to easily install Klever and, second, they will be used for our internal QA system.
