

Klever - Feature #9137

Specifications for linux v4.15

07/19/2018 03:33 PM - Anton Vasilyev

Status:	Closed	Start date:	07/19/2018
Priority:	Urgent	Due date:	
Assignee:	Anton Vasilyev	% Done:	0%
Category:	Environment model	Estimated time:	0.00 hour
Target version:	2.0		
Published in build:			
Description			
Require add model for v4.15 because of changes in struct scsi_host_template struct timer_list			

History

#1 - 07/20/2018 12:12 PM - Evgeny Novikov

- Target version set to 2.0
- Priority changed from Normal to Urgent

Specifications are seem to be ready, but also they need appropriate tests. If everything will be okay during 2-3 weekdays, then we will be able to include the improvement within Klever [2.0](#).

#2 - 10/25/2018 04:49 PM - Ilija Zakharov

- Status changed from New to Resolved

Merged this to Klever 2.0.

Regular testing jobs do not include tests for Linux 4.15 and 4.17 kernels (their descriptions are commented out), since CIF does not work with their code. All other components are ready for the new kernel, so maybe this will be fixed on the next versions of the Klever.

#3 - 10/25/2018 09:17 PM - Evgeny Novikov

- Status changed from Resolved to Closed

Branch *klever-2.0* passed all tests and I merged it to master in [72be796e3](#) marked as *v2.0rc1*.
