

Klever - Feature #9507

Update VerifierCloud scheduler to the recent API

02/27/2019 03:51 PM - Ilja Zakharov

Status: Closed	Start date: 02/27/2019
Priority: Urgent	Due date:
Assignee: Ilja Zakharov	% Done: 0%
Category: Scheduling	Estimated time: 0.00 hour
Target version: 3.0	
Published in build:	
Description VerifierCloud scheduler does not work with the most recent webclient python library (used on a user side). I tested revision 30112 from trunk. Seems that they now use file caching and require to calculate file hashes to send tasks to server. However, it works with the old library from trunk:27946.
