- Status changed from New to Resolved

I implemented this feature in branch *top-level-data-visualization*. Now Bridge derives data type not from data itself or according to component names. It uses explicit attribute of data ("type"). The branch undergoes testing.

#3 - 01/17/2020 02:46 PM - Evgeny Novikov

- Status changed from Resolved to Closed

Tests passed, so, I merged the branch to master in [29dfe14c2](#).
